The Violent Foam Daisy Zamora 2002 The Violent Foam includes selections from Zamora's previous acclaimed books and poems written since 1993. About her earlier book, Clean Slate, MultiCultural Review noted "Zamora was shaped by revolution and gender, but her voice is true and universal, transcending political boundaries and sounding clear notes of sanity in times of madness." Her new poems, beautifully translated by the poet George Evans, continue her lyrical, clear-sighted vision of the world with humor and gentle irony. LASSIE (Autobiography) It's true. I was faithful. My one desire was to be patted on the head by a disdainful hand. And happily wagging that tail I ran in circles, barked, and rolled around to welcome the master.

*The Young Visitors* Daisy Ashford 2021-01-11 Mr Salteena was an elderly man of 42 and was fond of asking people to stay with him. He had quite a young girl staying with him of 17 named Ethel Monticue. Mr Salteena had dark short hair and mustache and whiskers which were very black and twisty. He was middle sized and he had very pale blue eyes. He had a pale brown suit but on Sundays he had a black one and he had a topper every day as he thought it more becoming. Ethel Monticue had fair hair done on the top and blue eyes. She had a blue velvet frock which had grown rather short in the sleeves. She had a black straw hat and kid gloves. One morning Mr Salteena came down to breakfast and found Ethel had come down first which was strange. Is the tea made Ethel he said rubbing his hands. Yes said Ethel and such a queer shaped parcel has come for you Yes indeed it was a queer shape parcel it was a hat box tied down very tight and a letter stuffed between the string. Well well said Mr Salteena parcels do turn queer I will read the letter first and so saying he tore open the letter and this is what it said My dear Alfred. I want you to come for a stop with me so I have sent you a top hat wrapped up in tishu paper inside the box. Will you wear it staying with me because it is very uncommon. Please bring one of your young ladies whichever is the prettiest in the face. I remain Yours truly Bernard Clark. Well said Mr Salteena I shall take you to stay Ethel and fancy him sending me a top hat. Then Mr S. opened the box and there lay the most splendid top hat of a lovely rich tone rather like grapes with a ribbon round complete. - Taken from "The Young Visitors or, Mr. Salteena's Plan" written by Daisy Ashford

*The Negro Motorist Green Book* Victor H. Green The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

The Selected Works of Henry James, Vol. 03 (of 06) Henry James 2020-12 Daisy Miller is a

novel by Henry James that first appeared in Cornhill Magazine in June-July 1878, and in book form the following year. It portrays the courtship of the beautiful American girl Daisy Miller by Winterbourne, a sophisticated compatriot of hers. His pursuit of her is hampered by her own flirtatiousness, which is frowned upon by the other expatriates when they meet in Switzerland and Italy. Annie "Daisy" Miller and Frederick Winterbourne first meet in Vevey, Switzerland, in a garden of the grand hotel, where Winterbourne is allegedly vacationing from his studies (an attachment to an older lady is rumoured). They are introduced by Randolph Miller, Daisy's nine-year-old brother. Randolph considers their hometown of Schenectady, New York, to be absolutely superior to all of Europe. However, Daisy is absolutely delighted with the continent, especially the high society she wishes to enter. Winterbourne is at first confused by her attitude, and though greatly impressed by her beauty, he soon determines that she is nothing more than a young flirt. He continues his pursuit of Daisy in spite of the disapproval of his aunt, Mrs. Costello, who spurns any family with so close a relationship to their courier as the Millers have with their Eugenio. She also thinks Daisy is a shameless girl for agreeing to visit the Château de Chillon with Winterbourne after they have known each other for only half an hour. Two days later, the two travel to Château de Chillon and although Winterbourne had paid the janitor for privacy, Daisy is not quite impressed. Winterbourne then informs Daisy that he must go to Geneva the next day. Daisy feels disappointment and chaffs him, eventually asking him to visit her in Rome later that year. In Rome, Winterbourne and Daisy meet unexpectedly in the parlor of Mrs. Walker, an American expatriate, whose moral values have adapted to those of Italian society. Rumors about Daisy meeting with young Italian gentlemen make her socially exceptionable under these criteria. Winterbourne learns of Daisy's increasing intimacy with a young Italian of questionable society, Giovanelli, as well as the growing scandal caused by the pair's behaviour. Daisy is undeterred by the open disapproval of the other Americans in Rome, and her mother seems quite unaware of the underlying tensions. Winterbourne and Mrs. Walker attempt to persuade Daisy to separate from Giovanelli, but she refuses. One night, Winterbourne takes a walk through the Colosseum and sees a young couple sitting at its centre. He realises that they are Giovanelli and Daisy. Infuriated with Giovanelli, Winterbourne asks him how he could dare to take Daisy to a place where she runs the risk of catching "Roman Fever". Daisy says she does not care and Winterbourne leaves them. Daisy falls ill and dies a few days later.

***En limpio se escribe la vida* Daisy Zamora 1992** These are poems written mostly in a time of war, and rooted in the land and people of Nicaragua. Zamora draws deep portraits of women of all classes, often using her own body as a metaphor and starting point. Recalling the years of revolution and resistance to U.S. intervention, she follows the riverbed of her memories through the land of her childhood, mourns the devastation of war, and illuminates the heroic lives of ordinary men and women. Daisy Zamora was program director of clandestine Radio Sandino during the revolution and later served as vice-minister of Culture in the Sandinista government.

**Daisy Bates Grif Stockley 2005** Daisy Bates (1914-1999) is renowned as the mentor of the Little Rock Nine, the first African Americans to attend Central High School in Little Rock, Arkansas. For guiding the Nine through one of the most tumultuous civil rights crises of the 1950s, she was selected as Woman of the Year in Education by the Associated Press in 1957 and was the only woman invited to speak at the Lincoln Memorial ceremony in the March on Washington in 1963. But her importance as a historical figure has been overlooked by scholars of the civil rights movement. *Daisy Bates: Civil Rights Crusader from Arkansas* chronicles her life and political advocacy before, during, and well after the Central High School crisis. An orphan from the Arkansas mill town of Huttig, she eventually rose to the zenith of civil rights action. In 1952, she was elected president of the NAACP in Arkansas and traveled the country speaking on political issues. During the 1960s, she worked as a field organizer for presidents John F. Kennedy and Lyndon B. Johnson to get out the black vote. Even after a series of strokes, she continued to orchestrate self-help and economic initiatives in Arkansas. Using interviews, archival records, contemporary news-paper accounts, and other materials, author Grif Stockley reconstructs Bates's life and career, revealing her to be a complex, contrary leader of the civil rights movement. Ultimately, Daisy Bates paints a vivid portrait of an ardent, overlooked advocate of social justice.
