Eye of the Oracle Travel back in time to the days when dragons abounded. From the era just before Noah's ark, through the battles between dragons and mankind in the time of King Arthur and to the haunting presence of dragons in our day, this stunning prequel reveals the mysteries that led to the best-selling fantasy adventure that began with *Raising Dragons*. **Eye of the Oracle** will captivate young and old alike and will challenge every reader to search deep within for answers to the mysteries in their own hearts. **EYE OF THE ORACLE (ORACLES OF Scrub Jay Journeys** What ancient mysteries lurk behind the amazing stories in the *Dragons in our Midst* series? **Eye of the Oracle** takes the reader back in time to the days when dragons abounded. From the era just before Noah's ark, through the battles between dragons and mankind in the time of King Arthur, and to the haunting presence of dragons in our day, this stunning prequel reveals the mysteries that led to the bestselling fantasy adventure that began with *Raising Dragons*. **Eye of the Oracle #1 Best-seller**, *Eye of the Oracle*, is the first in the *Oracles of Fire* series, a set of four books for young adults. This series inspires young people to pursue faith, courage, and love and to dig deep within to find their God-given strengths, no matter how difficult the circumstances. This book is a prequel to the *Dragon in our Midst* series (DIOM), covering the events that led up to *Raising Dragons*, the first DIOM book. The second book in *Oracles of Fire*, *Enoch's Ghost*, picks up where *Tears of a Dragon*, the fourth book in DIOM, left off. Therefore, the second, third, and fourth books in *Oracles of Fire* are sequels to DIOM. This book is designed to be read after the DIOM series and will launch a new adventure that continues through the next three books. Readers familiar with DIOM will recognize characters from that series and will be introduced to new ones as well. Readers unfamiliar with DIOM will have no trouble following this new story, because no knowledge of DIOM will be required. **BONES OF MAKAI DOS (ORACLES OF Scrub Jay Journeys** The two *Oracles of Fire*, *Sapphira* and *Acacia*, are called upon to protect the forces of good, including Bonnie, who is pursued once again by the most powerful of all dragon slayers, Sir Devin, the dragons' bane. **Raising Dragons Tyndale House Publishers, Inc.** "Bryan Davis writes with the scope of Tolkien, the focus of Lewis, the grandeur of Verne, and most of all the heart of Christ." —Jeremiah F., reader *A boy with fiery breath . . . a girl with dragon wings . . . Outcasts Billy and Bonnie must come together to preserve a secret legacy more than a millennium in the making. They find their lives turned upside down when they are thrust into a war against evil, a war they didn't even know was being waged. Their newly formed friendship is tested and shaped as they are forced to fight a malevolent slayer who wields a powerful, medieval weapon and is intent on exterminating their dragon heritage forever. Raising Dragons is a hair-raising, modern-day Arthurian adventure and a glimpse into another world filled with knights, dragons, and fair maidens fighting to destroy evil.* **Enoch's Ghost** The second book in the *Oracles of Fire* series, also picking up where *Tears of a Dragon* ended. Walter, Ashley, and Karen ride the dragon Thigocia in search of her son, Gabriel. During their travels, they find an army of giants hibernating in the depths of the earth, and meet a mysterious girl named Sapphira Adi who claims to be thousands of years old. Sapphira reveals a sinister plot that can only be thwarted by the dragons, but with only two remaining dragons on earth to fight, doom seems certain...unless Walter can find an ally to help. **Circles of Seven Tyndale House Publishers, Inc.** "Bryan Davis writes with the scope of Tolkien, the focus of Lewis, the grandeur of Verne, and most of all the heart of Christ." —Jeremiah F., reader *What will Billy do when he's confronted with an impossible choice? Billy and Bonnie discover seven evil circles in a multidimensional world. Faced with danger at every turn, the two friends must call upon their dragon gifts to defeat the malevolent ruler. When tragedy strikes along the way, Billy has to face the most difficult decision of his life: forsake Bonnie to rescue a group of prisoners or find a way to save her, his best friend in the world. Filled with action, danger, and suspense, Circles of Seven is sure to keep readers on the edge of their seats.* **Last of the Nephilim** When the Nephilim, a race of giants from ancient times, invade Second Eden, endangering the existence of that alternate dimension as well as every soul on Earth, the two *Oracles of Fire*, *Sapphira* and *Acacia*, and two young girls lead the battle to stop them. **Search for the Astral Dragon Tyndale House Publishers, Inc.** This fast-paced YA space opera (reminiscent of *Star Wars*) follows a strong female protagonist, Megan, on an interplanetary search for her mother. On her journey, Megan witnesses the horrors of child trafficking and slavery and joins with a group of other teens to fight against corrupt systems and stand up for the vulnerable. Full of unusual characters and daring escapes, *Search for the Astral Dragon* draws readers into a world of snarky spaceship computer systems, a variety of different sentient species, spaceship tech, and magical elements. Megan is smart and quick-thinking, competent with spacecraft technology, and a person of strong character whose experiences give readers difficult questions to consider. Themes: What is Justice? Slavery Violence **Tears of a Dragon Tyndale House Publishers, Inc.** "Bryan Davis writes with the scope of Tolkien, the focus of Lewis, the grandeur of Verne, and most of all the heart of Christ." —Jeremiah F., reader *Billy and Bonnie won the battle but how will they win the war? Billy and Bonnie's hard-won victory in *Circles of Seven* came at a great cost as a vicious evil was unleashed on the earth. With Billy's father missing, Billy and Bonnie must lead the dragons into war against the demonic beings known as Watchers. But in order to win the war, an ultimate sacrifice must be made, and Billy and Bonnie will be forced to make the*

greatest decision of their lives—a choice that will change their world forever. The fourth and final installment in the *Dragons in our Midst* series will leave you cheering, crying, and wishing for more adventures with these two friends. **Things Fall Apart Penguin UK** Okonkwo is the greatest warrior alive, famous throughout West Africa. But when he accidentally kills a clansman, things begin to fall apart. Then Okonkwo returns from exile to find missionaries and colonial governors have arrived in the village. With his world thrown radically off-balance he can only hurtle towards tragedy. Chinua Achebe's stark novel reshaped both African and world literature. This arresting parable of a proud but powerless man witnessing the ruin of his people begins Achebe's landmark trilogy of works chronicling the fate of one African community, continued in *Arrow of God* and *No Longer at Ease*. **The Sibylline Oracles (Annotated Edition) Jazzybee Verlag** This is the extended and annotated edition including * an extensive annotation of almost 10.000 words about the oracles in religion * an interactive table-of-contents * perfect formatting for electronic reading devices THE Sibyls occupy a conspicuous place in the traditions and history of ancient Greece and Rome. Their fame was spread abroad long before the beginning of the Christian era. Heraclitus of Ephesus, five centuries before Christ, compared himself to the Sibyl "who, speaking with inspired mouth, without a smile, without ornament, and without perfume, penetrates through centuries by the power of the gods." The ancient traditions vary in reporting the number and the names of these weird prophetesses, and much of what has been handed down to us is legendary. But whatever opinion one may hold respecting the various legends, there can be little doubt that a collection of Sibylline Oracles was at one time preserved at Rome. There are, moreover, various oracles, purporting to have been written by ancient Sibyls, found in the writings of Pausanias, Plutarch, Livy, and in other Greek and Latin authors. Whether any of these citations formed a portion of the Sibylline books once kept in Rome we cannot now determine; but the Roman capitol was destroyed by fire in the time of Sulla (B. C. 84), and again in the time of Vespasian (A. D. 69), and whatever books were at those dates kept therein doubtless perished in the flames. It is said by some of the ancients that a subsequent collection of oracles was made, but, if so, there is now no certainty that any fragments of them remain. **The Day Jesus Died Arch Books** Bryan Davis retells the story of Jesus' crucifixion in verse for children ages 5-9. The account is presented in a way children can understand and remember. **Starlighter Zondervan** For years, tales of DRAGONS from another world kidnapping and enslaving humans have been circulating in Jason Masters' world, while for a slave girl named Koren, the stories of a human world seem pure myth. Together, these two teens will need to bridge two planets in order to overthrow the draconic threat and bring the lost slaves home. What if the Legends Are True? Jason Masters doubted the myths that told of people taken through a portal to another realm and enslaved by dragons. But when he receives a cryptic message from his missing brother, he must uncover the truth and find the portal before it's too late. At the same time, Koren, a slave in the dragons' realm, discovers she has a gift that could either save or help doom her people. As Jason and Koren work to rescue the enslaved humans, a mystic prophecy surrounding a black egg may make all their efforts futile. **The Candlestone Wander** The Candlestone, book 2 in the *Dragons in Our Midst* series, is a contemporary fantasy novel, written for preteens and young adults. Along with a unique blend of fantasy and real life, it delivers action and inspiration through the adventures of two young teens, Billy Bannister and Bonnie Silver. Billy and Bonnie wonder about a number of unsolved mysteries. What was the strange book that the dragon slayers used to summon a dragon? Where is the magnificent sword that seemed to disintegrate the evil Devin? And what happened to the Candlestone, that strange gem, always absorbing light and with it the powers of dragons or dragon children within its sphere of influence? The Candlestone not only absorbs light, it captures and holds encoded light, including transluminated humans, people who have been transformed into light energy by Excalibur, King Arthur's great sword. When Bonnie enters the stone herself, she learns that many disembodied souls have fallen prey to the gem's powers, but no one has ever escaped. The two teens face their greatest fears, and they learn to use their strengths, both innate and newly found, as they battle powerful enemies, ancient fiends from times long past, and the horrors of the blackest of prisons, captivity with the walls of unearthly darkness, the crystalline tomb of the Candlestone. **The Story of Jesus' Baptism and Temptation Arch Books** This book retells the stories of Jesus' baptism and the temptation (Matthew 3:13?4:11; Mark 1:9-13; Luke 3:21?4:13; John 1:31-34). The Arch? Book series tells popular Bible stories through fun-to-read rhymes and bright illustrations. This well-loved series captures the attention of children, telling scripturally sound stories that are enjoyable and easy to remember. **The Last Oracle A Sigma Force Novel Harper Collins** In Washington, D.C., a homeless man takes an assassin's bullet and dies in Commander Gray Pierce's arms. A bloody coin clutched in the dead man's hand—an ancient relic that can be traced back to the Greek Oracle of Delphi—is the key to a conspiracy that dates back to the Cold War and threatens the very foundation of humanity. For what if it were possible to bioengineer the next great prophet—a new Buddha, Muhammad, or even Jesus? Would this Second Coming be a boon . . . or would it initiate a chain reaction that would result in the extinction of humankind? Vital seconds are ticking rapidly away as Pierce races across the globe in search of answers, one step ahead of ruthless killers determined to reclaim the priceless artifact. Suddenly the future of all things is balanced on the brink between heaven and hell—and salvation or destruction rests in the hands of remarkable children. **Fire in the Minds of Men Origins of the Revolutionary Faith Transaction Publishers** This book traces the origins of a faith--perhaps the faith of the century. Modern revolutionaries are believers, no less committed and intense than were Christians or Muslims of an earlier era. What is new is the belief that a perfect secular order will emerge from forcible overthrow of traditional authority. This inherently implausible idea energized Europe in the nineteenth century, and became the most pronounced ideological export of the West to the rest of the world in the twentieth century. Billington is interested in revolutionaries--the innovative creators of a new tradition. His historical frame extends from the waning of the French Revolution in the late eighteenth century to the beginnings of the Russian Revolution in the early twentieth century. The theater was Europe of the industrial era; the main stage was the journalistic offices within great cities such as Paris, Berlin, London, and St. Petersburg. Billington claims with considerable evidence that revolutionary ideologies were shaped as much by the occultism and proto-romanticism of Germany as the critical rationalism of the French Enlightenment. The conversion of social theory to political practice was essentially the work of three Russian revolutions: in 1905, March 1917, and November 1917. Events in the outer rim of the European world brought discussions about revolution out of the school rooms and press rooms of Paris and Berlin into the halls of power. Despite his hard realism about the adverse practical consequences of revolutionary dogma, Billington appreciates the identity of its best sponsors, people who preached social justice transcending traditional national, ethnic, and gender boundaries. When this book originally appeared *The New Republic* hailed it as "remarkable,

learned and lively," while *The New Yorker* noted that Billington "pays great attention to the lives and emotions of individuals and this makes his book absorbing." It is an invaluable work of history and contribution to our understanding of political life. **Sibylline Oracle Or, Dreams and Their Interpretation, Being the Spanish Fate Book ENOCHS GHOST (ORACLES OF FIRE Scrub Jay Journeys** Walter, Ashley, and Karen ride the dragon Thigocia in search of her son, Gabriel, and her long-lost mate, Makaidos. When Walter and Ashley find an army of giants hibernating in the depths of the earth, they meet a mysterious girl named Sapphira Adi who claims to be thousands of years old. Sapphira reveals a sinister plot, conceived centuries ago by Morgan Le Faye and the devil himself. **Raising Dragons** Billy's life takes a fantastic turn when he starts breathing fire and finds out that his father Jared neglected to tell him that he is half-dragon. **The Chaldean Oracles of Zoroaster Dalcassian Publishing Company** The Chaldean Oracles are a set of spiritual and philosophical texts widely used by Neoplatonist philosophers from the 3rd to the 6th century C.E. While the original texts have been lost, they have survived in the form of fragments consisting mainly of quotes and commentary by Neoplatonist writers. **Parentology Everything You Wanted to Know about the Science of Raising Children but Were Too Exhausted to Ask Simon and Schuster** An award-winning scientist offers his unorthodox approach to childrearing: "Parentology is brilliant, jaw-droppingly funny, and full of wisdom...bound to change your thinking about parenting and its conventions" (Amy Chua, author of *Battle Hymn of the Tiger Mother*). If you're like many parents, you might ask family and friends for advice when faced with important choices about how to raise your kids. You might turn to parenting books or simply rely on timeworn religious or cultural traditions. But when Dalton Conley, a dual-doctorate scientist and full-blown nerd, needed childrearing advice, he turned to scientific research to make the big decisions. In *Parentology*, Conley hilariously reports the results of those experiments, from bribing his kids to do math (since studies show conditional cash transfers improved educational and health outcomes for kids) to teaching them impulse control by giving them weird names (because evidence shows kids with unique names learn not to react when their peers tease them) to getting a vasectomy (because fewer kids in a family mean smarter kids). Conley encourages parents to draw on the latest data to rear children, if only because that level of engagement with kids will produce solid and happy ones. Ultimately these experiments are very loving, and the outcomes are redemptive—even when Conley's sassy kids show him the limits of his profession. *Parentology* teaches you everything you need to know about the latest literature on parenting—with lessons that go down easy. You'll be laughing and learning at the same time. **Caves and the Ancient Greek Mind Descending Underground in the Search for Ultimate Truth OUP Oxford** *Caves and the Ancient Greek Mind* analyses techniques of searching for ultimate wisdom in ancient Greece. The Greeks perceived mental experiences of exceptional intensity as resulting from divine intervention. They believed that to share in the immortals' knowledge, one had to liberate the soul from the burden of the mortal body by attaining an altered state of consciousness, that is, by merging with a superhuman being or through possession by a deity. These states were often attained by inspired mediums, 'impresarios of the gods' - prophets, poets, and sages - who descended into caves or underground chambers. Yulia Ustinova juxtaposes ancient testimonies with the results of modern neuropsychological research. This novel approach enables an examination of religious phenomena not only from the outside, but also from the inside: it penetrates the consciousness of people who were engaged in the vision quest, and demonstrates that the darkness of the caves provided conditions vital for their activities. **The Sibylline Oracles, Books III-V Paradise Lost, Book 3 From the Mouth of Elijah** When a demon kidnaps Bonnie, Lauren uses her gifted hearing to search for her mother, while Walter and Ashley attempt to find a cure for a mysterious disease which is threatening the anthrozils. **Tooth and Claw Macmillan** Love, money, and power become the forces that threaten to separate five siblings as they struggle to deal with their individual lives in the wake of their father's death, in a fantasy set in a world populated entirely by dragons. By the author of *The King's Name*. Reprint. **Heaven Came Down** Heavenly messengers, or deadly parasites? In the chaotic aftermath of apocalyptic war, the strange lights in the sky heralding the coming of unearthly beings seemed like an answer to prayer. When the heavenly visitors entered selected people and transformed them into angels who demanded obedience in exchange for the restoration of order, the majority accepted their new rulers. But Ben Garrison and his siblings, Jack and Trudy, have seen a dark side to these so-called angels. They join a rebel faction with one goal: destroy the invaders and free the world from their tyranny. When the rebels catch wind of an angel plot to invade the resistance region and spread a deadly contagion, the Garrisons embark on a crucial mission to swap the angel troops' vaccine with a fake injection, stealing the real vaccine to save the rebels. The catch: Ben and Trudy, in disguise as doctors, must volunteer to become implanted by angels and fake their implantation. The rebels' plan, however, is soon exposed, jeopardizing the mission and their lives. Their only hope for rescue lies in an odd bounty hunter, a young angel priestess, and a mysterious spy embedded among the angels—a woman whose identity the rebels have yet to discover. **The Oracle Code DC Ink** The #1 *New York Times* bestselling author Marieke Nijkamp and artist Manuel Preitano unveil a graphic novel that explores the dark corridors of Barbara Gordon's first mystery: herself. After a gunshot leaves her paralyzed below the waist, Barbara Gordon must undergo physical and mental rehabilitation at Arkham Center for Independence. She must adapt to a new normal, but she cannot shake the feeling that something is dangerously amiss. Strange sounds escape at night while patients start to go missing. Is this suspicion simply a result of her trauma? Or does Barbara actually hear voices coming from the center's labyrinthine hallways? It's up to Barbara to put the pieces together to solve the mysteries behind the walls. In *The Oracle Code*, universal truths cannot be escaped, and Barbara Gordon must battle the phantoms of her past before they consume her future. **Reapers** The *Reapers* trilogy is a dystopian tale with a supernatural twist that takes place in a futuristic, urban setting. Two teenagers, Phoenix and Singapore, male and female Reapers, collect the souls of the dead and transport them to the Gateway where they will travel to their final destination ... or so they are told. **The Seventh Door Living Ink Books** Endowed with mysterious dragon traits, twins Matt and Lauren Bannister must stop the demon Tamiel from disrupting the song of the ovulum and taking over the human race. **LAST OF THE NEPHILIM (ORACLES Scrub Jay Journeys** A single lie is spoken, allowing the Nephilim, a race of giants from ancient times, to invade Second Eden, a peaceful civilization in an alternate dimension. While Earth and Hades are locked in a catastrophic merging of their two realms, the prophet Enoch works to gather an army of humans and dragons from each world to go to war against the Nephilim. Included in that force are a small girl with prophetic power who originated in the depths of Hades; Billy Bannister, the heir of Arthur and hero of the *Dragons in our Midst* series; and Bonnie Silver, his fellow warrior. **House of Earth and Blood Bloomsbury Publishing USA** A #1 *New York Times* bestseller! Sarah J. Maas's brand-new CRESCENT CITY series begins

with *House of Earth and Blood*: the story of half-Fae and half-human Bryce Quinlan as she seeks revenge in a contemporary fantasy world of magic, danger, and searing romance. Bryce Quinlan had the perfect life-working hard all day and partying all night-until a demon murdered her closest friends, leaving her bereft, wounded, and alone. When the accused is behind bars but the crimes start up again, Bryce finds herself at the heart of the investigation. She'll do whatever it takes to avenge their deaths. Hunt Athalar is a notorious Fallen angel, now enslaved to the Archangels he once attempted to overthrow. His brutal skills and incredible strength have been set to one purpose-to assassinate his boss's enemies, no questions asked. But with a demon wreaking havoc in the city, he's offered an irresistible deal: help Bryce find the murderer, and his freedom will be within reach. As Bryce and Hunt dig deep into Crescent City's underbelly, they discover a dark power that threatens everything and everyone they hold dear, and they find, in each other, a blazing passion-one that could set them both free, if they'd only let it. With unforgettable characters, sizzling romance, and page-turning suspense, this richly inventive new fantasy series by #1 New York Times bestselling author Sarah J. Maas delves into the heartache of loss, the price of freedom-and the power of love. **Liberator Zondervan** For years, tales of DRAGONS from another world kidnapping and enslaving humans have been circulating in Jason Masters' world, while for a slave girl named Koren, the stories of a human world seem pure myth. Together, these two teens will need to bridge two planets in order to overthrow the draconic threat and bring the lost slaves home. The Time Has Come As the long-awaited invasion of human forces looms, Jason, Koren, and Elyssa struggle to alert the soldiers to an unforeseen menace on the planet of Starlight—a deadly illness that already has Koren in its grip. Starlighter Cassabrie harbors a secret she believes can counter the dragon king Taushin's latest maneuverings, but she can disclose little of her risky plan. As Cassabrie fights to save her people, the dragon Magnar works to move the Starlight prophecy in his favor. His actions could make the plight of humans even more perilous. Wishing only to free the slaves and bring peace, a few young warriors are poised to face three armies as they battle for control of two worlds. Can love, faith, and courage be enough? Will Cassabrie be humanity's last hope? **Odyssey Oedipus the King Franklin Classics Trade Press** This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant. **The Histories Book 2: Euterpe Simon and Schuster** Herodotus was an ancient Greek historian who lived in the fifth century BC (c.484 - 425 BC). He has been called the "Father of History", and was the first historian known to collect his materials systematically, test their accuracy to a certain extent and arrange them in a well-constructed and vivid narrative. The Histories-his masterpiece and the only work he is known to have produced-is a record of his "inquiry", being an investigation of the origins of the Greco-Persian Wars and including a wealth of geographical and ethnographical information. The Histories, were divided into nine books, named after the nine Muses: the "Muse of History", Clio, representing the first book, then Euterpe, Thaleia, Melpomene, Terpsichore, Erato, Polymnia, Ourania and Calliope for books 2 to 9, respectively. **Dragon Oracle Independently Published** I hate fire. It nearly destroyed me. Now, my only chance at survival is a fire-breathing, shape-shifting dragon. An urban fantasy adventure full of mystical creatures and sassy heroines Davie is a normal girl trying to live a normal life. Except that she can see the future and has visions that make her seem crazy. When she meets a man who immediately seems too perfect to be real, her quest for a normal life quickly ends. She soon learns the world is full of mythical creatures including shape-shifting dragons, dwarves, and mystical oracles. Can Davie adapt to the new world that has dropped her into the middle of a mythical war that could tear the world apart? The Oracle Oracle Boxed Set contains the first three books in the Dragon Oracle urban fantasy series. If you like magical adventures with quirky characters, mythical creatures, and shape-shifting dragons, get ready to be transported to a magical realm that could be in your own town. Download the Dragon Oracle Boxed Set and be transported to a new reality today! **The History of Oracles, and the Cheats of the Pagan Priests**
