The Color of Water James McBride 2006-02-07 From the bestselling author of Deacon King Kong and the National Book Award-winning *The Good Lord Bird*: The modern classic that spent more than two years on The New York Times bestseller list and that Oprah.com calls one of the best memoirs of a generation. Who is Ruth McBride Jordan? A self-declared "light-skinned" woman evasive about her ethnicity, yet steadfast in her love for her twelve black children. James McBride, journalist, musician, and son, explores his mother's past, as well as his own upbringing and heritage, in a poignant and powerful debut, *The Color Of Water: A Black Man's Tribute to His White Mother*. The son of a black minister and a woman who would not admit she was white, James McBride grew up in "orchestrated chaos" with his eleven siblings in the poor, all-black projects of Red Hook, Brooklyn. "Mommy," a fiercely protective woman with "dark eyes full of pep and fire," herded her brood to Manhattan's free cultural events, sent them off on buses to the best (and mainly Jewish) schools, demanded good grades, and commanded respect. As a young man, McBride saw his mother as a source of embarrassment, worry, and confusion—and reached thirty before he began to discover the truth about her early life and long-buried pain. In *The Color of Water*, McBride retraces his mother's footsteps and, through her searing and spirited voice, recreates her remarkable story. The daughter of a failed itinerant Orthodox rabbi, she was born Rachel Shilsky (actually Ruchel Dwara Zylska) in Poland on April 1, 1921. Fleeing pogroms, her family emigrated to America and ultimately settled in Suffolk, Virginia, a small town where anti-Semitism and racial tensions ran high. With candor and immediacy, Ruth describes her parents' loveless marriage; her fragile, handicapped mother; her cruel, sexually-abusive father; and the rest of the family and life she abandoned. At seventeen, after fleeing Virginia and settling in New York City, Ruth married a black minister and founded the all- black New Brown Memorial Baptist Church in her Red Hook living room. "God is the color of water," Ruth McBride taught her children, firmly convinced that life's blessings and life's values transcend race. Twice widowed, and continually confronting overwhelming adversity and racism, Ruth's determination, drive and discipline saw her dozen children through college—and most through graduate school. At age 65, she herself received a degree in social work from Temple University. Interspersed throughout his mother's compelling narrative, McBride shares candid recollections of his own experiences as a mixed-race child of poverty, his flirtations with drugs and violence, and his eventual self- realization and professional success. *The Color of Water* touches readers of all colors as a vivid portrait of growing up, a haunting meditation on race and identity, and a lyrical valentine to a mother from her son.

Miracle on 49th Street Mike Lupica 2007-10-04 In the tradition of *About a Boy* comes a feel good

sports and holiday novel from #1 New York Times bestselling author Mike Lupica. Josh Cameron has it all: a World Championship ring with the Boston Celtics, an MVP award, a clean-cut image, and the adoration of millions. What he doesn't have is family. Until the day 12-year-old smartaleck Molly Parker confronts him in a parking lot and claims to be his daughter—the only daughter of Jen Parker, Josh's college sweetheart and the still the only girl he's ever loved. Trouble is, Jen Parker died last year, and now Molly has tracked down the father she never knew, the one her mother never wanted her to know about. Josh Cameron cares about two things only: himself, and basketball. The last thing this superstar wants or needs is a 12-year-old daughter. Yet this isn't just any 12-year-old. Mr. World Champion has finally met his match. "[T]his novel is . . . an enjoyable read with interesting peeks into the world of professional basketball. It will appeal to young teen sports enthusiasts as well as kids just looking for a good story." VOYA "Lupica delivers a winning novel, creating a realistic character in Molly. Young readers will also enjoy the look inside Josh's pampered sports-superstar world." Booklist "Lupica is an extraordinarily smooth writer with a great ear for witty repartee." Publisher's Weekly

Miracle at Merion David Barrett 2010-10-08 Chronicles the events surrounding Ben Hogan's surprising win at the 1950 US Open at Merion Golf Club, describing the near-fatal automobile accident that almost claimed Hogan's life in 1949, his rehabilitation, return to golf, and how he managed to claim a victory after an eighteen-hole playoff.

City of Miracles Robert Jackson Bennett 2017-05-02 Revenge. It's something Sigrud je Harkvaldsson is very, very good at. Maybe the only thing. So when he learns that his oldest friend and ally, former Prime Minister Shara Komayd, has been assassinated, he knows exactly what to do—and that no mortal force can stop him from meting out the suffering Shara's killers deserve. Yet as Sigrud pursues his quarry with his customary terrifying efficiency, he begins to fear that this battle is an unwinnable one. Because discovering the truth behind Shara's death will require him to take up arms in a secret, decades-long war, face down an angry young god, and unravel the last mysteries of Bulikov, the city of miracles itself. And—perhaps most daunting of all—finally face the truth about his own cursed existence.

Anatomy of a Miracle Patti Waldmeir 1998 The late 1980s were a dismal time inside South Africa. Mandela's African National Congress was banned. Thousands of ANC supporters were jailed without charge. Government hit squads assassinated and terrorized opponents of white rule. Ordinary South Africans, black and white, lived in a perpetual state of dread. Journalist Patti Waldmeir evokes this era of uncertainty in *Anatomy of a Miracle*, her comprehensive new book about the stunning and—historically speaking—swift transformation of South Africa from white minority oligarchy to black-ruled democracy. Much that Waldmeir documents in this carefully researched and elegantly written book has been well reported in the press and in previous books. But what distinguishes her work is a reporter's attention to detail and a historian's sense of sweep and relevance. . . .Waldmeir has written a deeply reasoned book, but one that also acknowledges the power of human will and the tug of shared destiny."-Philadelphia Inquirer

Miracle Cure Harlan Coben 2013-06-04 "Previously published in SPI Books and Signet editions."--Title page verso.

Miracle at Philadelphia Catherine Drinker Bowen 1966 This book is a history of the Federal Convention in Philadelphia that resulted in the Constitution of the United States.

The Miracle at Speedy Motors Alexander McCall Smith 2009-02-24 In the ninth installment of this infinitely enjoyable and bestselling series, Precious Ramotswe is doing what she does best—solving crimes and taking care of business: her own and everybody else's. Investigating her latest case, Mma Ramotswe has to trek to a game preserve, where she rediscovers the breathtaking beauty of her beloved Botswana. She is there to uncover the truth about an elderly American traveller whose safari proved to be his last journey. What she discovers is a surprise to everyone concerned. Meanwhile, problems are also brewing back at the No. 1 Ladies' Detective Agency: Mma Makutsi has instituted the Complaint Half Hour in order to air her grievances—which works well for her until Mma Ramotswe decides to institute her own version. And life is no less complicated at Tlokweng Road Speedy Motors, where Mr. J.L.B. Matekoni—Mma Ramotswe's estimable husband—has suddenly decided to mortgage

the garage. But without a doubt—and after several cups of bush tea—Precious Ramotswe will make sure, as only she can, that everything turns out as it should.

Philadelphia - A History of the City and its People Ellis Paxson Oberholtzer Dr. Oberholtzer was engaged upon this book for many months. He has aimed to present the people of Philadelphia, as well as the details of their government, and he has opened new sources of information and presents new aspects in the life of the city. His detailed and thoroughly investigated narrative covers a time of 225 years and gives in-depth insights on the foundation of the town, the Civil War years, the Declaration of Independence and many events more.

Small Miracle David Austin 2020-05 Charles Middleberg and his family are Polish Jews, living in France during World War II. After the German invasion in May 1940, Charles's father is taken away. Soon after, his mother is taken as well, and for the next five years, Charles and his brother will have their lives saved - again and again - by a series of small miracles.

Founding Brothers Joseph J. Ellis 2002 The introduction, discussion questions, suggestions for further reading, and author biography that follow are intended to enhance your reading group's discussion of Joseph Ellis's *Founding Brothers: The Revolutionary Generation*. We hope they will enrich your experience of this Pulitzer Prize-winning study of the intertwined lives of the founders of the American republic--John Adams, Aaron Burr, Benjamin Franklin, Alexander Hamilton, Thomas Jefferson, James Madison, and George Washington.

Monuments, Marvels, and Miracles Marion Amberg 2021-03-02 America's got faith! You'll find it in every state — in grand cathedrals and tiny chapels, in miracle shrines and underwater statues, and even in blessed dirt. Finding these sacred places hasn't been easy, until now! *Monuments, Marvels, and Miracles: A Traveler's Guide to Catholic America* takes you to more than 500 of the country's most intriguing holy sites, each with a riveting story to tell. Stories about: architecture (the interior of Guardian Angels Cathedral in Las Vegas resembles angel wings) religious history (at Maryland's Old Bohemia, Jesuit priests lived and worked incognito during anti-Catholic persecution) artifacts (the Miraculous Medal Shrine in Philadelphia holds an original cast by Saint Catherine Labouré) answered prayer (from the Grasshopper Chapel in Minnesota to the Coral Miracle Church in Hawaii) healing places, beautiful places, hidden places, places where saints walked, and much more. Organized by state and region, *Monuments, Marvels, and Miracles* can help you easily plan your vacation or pilgrimage, and find sites close to you that you've never heard of. Chapters also include Catholic trivia and color photos.

Websites, phone numbers, addresses, and other pertinent information are included. ABOUT THE AUTHOR Marion Amberg is an award-winning book author and freelance journalist. Her articles — mainly religion travel pieces and human-interest features — have appeared in more than 100 markets. She is known for her "nose for the unique and unusual" and for her engaging writing style.

Miracle at Midlife Roni Beth Tower 2016-10-25 2017 Gold Medal IPPY Award in Autobiography/Memoir They first meet in Paris in the spring of 1996. David is a divorced American attorney living on a converted barge moored on the banks of the Seine; Roni Beth is an empty-nested clinical and research psychologist working from her home in Connecticut. Now in their fifties, both have signed off on loving again—until they meet each other. *Miracle at Midlife* tells the inspiring story of Roni Beth and David's intense and transformative transatlantic courtship. Along the way, David the loner, living amid the beauty, freedom, and pleasures of Paris, brings Roni Beth, a responsible and overextended professional haunted by earlier loss and trauma, back to her core as a woman, while she helps him reclaim connections that tie him to a larger world. They wrestle internal demons (mostly hers) and external threats (friends, family and different perspectives) as they share adventures in their respective worlds. Throughout their journey, stories of courage, joy and integrity bring hope and delight to those who wonder how romantic love appears and evolves; inspiration to people in mid-life who, knowingly or unknowingly, have completed a chapter in their lives and are ready to move on; and comfort to anyone who longs to wrestle and conquer the demons of fear, born of history or of the unknown, and win. Testimony that love is real.

Miracle On Chestnut Street Milton J. Nieuwsma 2021-12-15 Milton Nieuwsma explains why he wrote

Miracle on Chestnut Street and reflects on Thomas Jefferson, the man and his legacy: So why did you write this book? "For a couple of reasons. One was to tell the story of the Declaration of Independence from Jefferson's point of view and in real time. The other reason was to restore his rightful place in history." Why do you say that? "Well, he's had a pretty rough go of it the past few decades, first because of DNA and then because of the 1619 Project." What do you think is Jefferson's biggest legacy? "More than anyone, he defined the idea of America, the idea that individual freedom is basic to our way of life. He was our country's first human rights champion. Even with all of our problems today, our country is still a beacon of hope and freedom to people around the world. We owe that mainly to Jefferson." Tom Jefferson, a young plantation owner from Virginia, was the least likely member of the Second Continental Congress to make a name for himself. When he arrived in Philadelphia in 1775 it was by default. Yet we associate Jefferson's name more than any other with what happened on the most important day in American history: July 4, 1776. Notwithstanding many other defining moments in our nation's past-Appomattox, Pearl Harbor, the Apollo moon landing, 9/11 to name a few-the Declaration of Independence that Jefferson wrote and the Continental Congress adopted on that date symbolizes more than any other event what America stands for as a nation. Now, for the first time, the story of that historic event is told from Jefferson's point-of-view. Drawing from his letters, journals, diaries and other sources, as well as from on-site research at Monticello (Jefferson's home in Virginia), Colonial Williamsburg and Independence National Historical Park in Philadelphia, two-time Emmy-winning writer Milton Nieuwsma recreates the sixteen most important months in Jefferson's life, from his election to the Continental Congress to the Declaration of Independence. Miracle on Chestnut Street is not only an inside account of how a piece of paper came to define the American republic; it's the story of how a young man entered the world stage through the back door-and how the ideas he expressed in that document still resonate in the 21st century.

Our Lost Constitution Mike Lee 2016-06-28 The still-unfolding story of America's Constitution is a history of heroes and villains—the flawed visionaries who inspired and crafted liberty's safeguards, and the shortsighted opportunists who defied them. Those stories are known by few today. In *Our Lost Constitution*, Senator Mike Lee tells the dramatic, little-known stories behind six of the Constitution's most indispensable provisions. He shows their rise. He shows their fall. And he makes vividly clear how nearly every abuse of federal power today is rooted in neglect of this Lost Constitution. For example: □ The Origination Clause says that all bills to raise taxes must originate in the House of Representatives, but contempt for the clause ensured the passage of Obamacare. □ The Fourth Amendment protects us against unreasonable searches and seizures, but the NSA now collects our private data without a warrant. □ The Legislative Powers Clause means that only Congress can pass laws, but unelected agencies now produce ninety-nine out of every one hundred pages of legal rules imposed on the American people. Lee's cast of characters includes a former Ku Klux Klansman, who hijacked the Establishment Clause to strangle Catholic schools; the Chief Justice of the Supreme Court, who called the Second Amendment a fraud; and the revered president who began his first of four terms by threatening to shatter the balance of power between Congress and the president, and who began his second term by vowing to do the same to the Supreme Court. Fortunately, the Constitution has always had its defenders. Senator Lee tells the story of how Andrew Jackson, noted for his courage in duels and politics, stood firm against the unconstitutional expansion of federal powers. He brings to life Ben Franklin's genius for compromise at a deeply divided constitutional convention. And he tells how in 2008, a couple of unlikely challengers persuaded the Supreme Court to rediscover the Second Amendment's right to keep and bear arms. Sections of the Constitution may have been forgotten, but it's not too late to bring them back—if only we remember why we once demanded them and how we later lost them. Drawing on his experience working in all three branches of government, Senator Lee makes a bold case for resurrecting the Lost Constitution to restore and defend our fundamental liberties.

Gloria's Miracle Jerry Brewer 2009-09-01

Miracle at Philadelphia Catherine Drinker Bowen 1986 This book is a history of the Federal Convention in Philadelphia that resulted in the Constitution of the United States. A review of the events and

personalities surrounding the Constitutional Convention of 1787 concluding with the debate and the final product.

A Book of Miracles Dr. Bernie S. Siegel 2014-10-15 Heartwarming and Heart-Opening Stories Gathered from Decades of Medical Practice Bernie Siegel first wrote about miracles when he was a practicing surgeon and founded Exceptional Cancer Patients, a groundbreaking synthesis of group, individual, dream, and art therapy that provided patients with a "carefrontation." Compiled during his more than thirty years of practice, speaking, and teaching, the stories in these pages are riveting, warm, and belief expanding. Their subjects include a girl whose baby brother helped her overcome anorexia, a woman whose cancer helped her heal by teaching her to stand up for herself, and a family that was saved from a burning house by bats. Without diminishing the reality of pain and hardship, the stories show real people turning crisis into blessing by responding to adversity in ways that empower and heal. They demonstrate what we are capable of and show us that we can achieve miracles as we confront life's difficulties.

Miracle of Philadelphia : the story of the constitutional convention May Catherine Drinker Bowen 1967
The Miracle of St. Anthony Adrian Wojnarowski 2006-01-19 In a city mired in endless decay, where the youth suffer through all the horrors of urban blight, hope comes in a most unassuming form: a tiny brick schoolhouse run by two Felician nuns where a singular basketball genius takes teenagers from the mean streets of Jersey City and turns them into champions on the hardcourt. Coach Bob Hurley had been working miracles at St. Anthony High School for over thirty years, winning state and national championships and offering his players rescue from their surroundings through college scholarships, when he met his most dysfunctional team yet. In The Miracle of St. Anthony Adrian Wojnarowski follows Hurley through a gripping and heartrending season as he struggles to lead a troubled team to glory through his unparalleled understanding of the game and his ceaseless determination to see no more children lost to these streets. In The Miracle of St. Anthony, acclaimed sports journalist Adrian Wojnarowski follows Hurley through a gripping and heartrending season, as he struggles to lead a troubled team to glory through his unparalleled understanding of the game and his ceaseless determination to see no more children lost to the city streets.

Miracle At Philadelphia Catherine Drinker Bowen 1986-09-30 A classic history of the Federal Convention at Philadelphia in 1787, the stormy, dramatic session that produced the most enduring of political documents: the Constitution of the United States. From Catherine Drinker Bowen, noted American biographer and National Book Award winner, comes the canonical account of the Constitutional Convention recommended as "required reading for every American." Looked at straight from the records, the Federal Convention is startlingly fresh and new, and Mrs. Bowen evokes it as if the reader were actually there, mingling with the delegates, hearing their arguments, witnessing a dramatic moment in history. Here is the fascinating record of the hot, sultry summer months of debate and decision when ideas clashed and tempers flared. Here is the country as it was then, described by contemporaries, by Berkshire farmers in Massachusetts, by Patrick Henry's Kentucky allies, by French and English travelers. Here, too, are the offstage voices--Thomas Jefferson and Tom Paine and John Adams from Europe. In all, fifty-five men attended; and in spite of the heat, in spite of clashing interests--the big states against the little, the slave states against the anti-slave states--in tension and anxiety that mounted week after week, they wrote out a working plan of government and put their signatures to it.

The Summer of 1787 David O. Stewart 2008-05-20 Traces the events of the Constitutional Convention of 1787 in a historical account that covers such topics as the fierce conflicts that influenced the writing of the Constitution, the issues that divided the states, and the contributions of key players.

The Great Philly Cheesesteak Book Carolyn Wyman 2009-06-01 A colorful look at the history of the

cheesesteak from the city that started it all!

It Never Ends Tom Scharpling 2021-07-06 From cult comedy icon and beloved radio host Tom Scharpling, an inspiring, funny, and thoughtful memoir *It Never Ends* is Tom Scharpling's harrowing memoir of his coming of age, a story he has never told before. It's the heartbreaking account of his attempt at suicide, two stays in a mental hospital, and the memory-wiping electroshock therapy that saved his life. After his rehabilitation, Scharpling committed himself to reinvention through the world of comedy. In this book he will lift the curtain on the turmoil that still follows him, despite all of his accolades and achievements. In the vein of candid memoirs from comedians like Mike Birbiglia's *Sleepwalk with Me* and Norm Macdonald's *Based on a True Story*, *It Never Ends* is a revealing book by a beloved comedy icon.

She Memes Well Quinta Brunson 2021 From comedian Quinta Brunson comes a deeply personal and funny collection of essays featuring anecdotes about trying to make it when you're broke, overcoming self-doubt and depression, and how she's used humor to navigate her career in unusual directions. Quinta Brunson is a master of viral Internet content: without any traditional background in media, her humorous videos were the first to break through on Instagram's platform, receiving millions of views. From there, Brunson's wryly observant POV attracted the attention of BuzzFeed's motion picture development department, leading her to produce viral videos there about topics like interracial dating, millennial malaise, and seeing your ex in public. Now, Brunson is bringing her comedic chops to the page in *She Memes Well*, an earnest, laugh-out-loud collection about her weird road to Internet notoriety. In her debut essay collection, Quinta applies her trademark humor and heart to discuss what it was like to go from student loan debt-broke to "halfway recognizable--'don't I know you somewhere?'" level-of-fame. With anecdotes that range from the funny and zany--like her experience trying to find her signature hairstyle--to more grounded material about living with depression, Brunson's voice is entirely authentic and eminently readable. Perfect for fans of Phoebe Robinson's *You Can't Touch My Hair*, Samantha Irby's *We Are Never Meeting in Real Life*, and Issa Rae's *The Misadventures of Awkward Black Girl*, *She Memes Well* will charm and entertain a growing, engaged audience.

A Brilliant Solution Carol Berkin 2003 Shares the story of the Constitutional Convention in 1787 Philadelphia, detailing the human side of the considerable ideas, arguments, issues, and compromises that shaped the formation of the U.S. Constitution and government. Reprint. 20,000 first printing.

Glimpsed G.F. Miller 2022-01-04 "Filled with tongue-in-cheek humor—a gently fantastical world brimming with teen shenanigans." "Publishers Weekly Perfect for fans of *Geekerella* and *Jenn Bennett*, this charming, sparkly rom-com follows a wish-granting teen forced to question if she's really doing good—and if she has the power to make her own dreams come true. Charity is a fairy godmother. She doesn't wear a poofy dress or go around waving a wand, but she does make sure the deepest desires of the student population at Jack London High School come true. And she knows what they want even better than they do because she can glimpse their perfect futures. But when Charity fulfills a glimpse that gets Vindhya crowned homecoming queen, it ends in disaster. Suddenly, every wish Charity has ever granted is called into question. Has she really been helping people? Where do these glimpses come from, anyway? What if she's not getting the whole picture? Making this existential crisis way worse is Noah—the adorkable and (in Charity's opinion) diabolical ex of one of her past clients—who blames her for sabotaging his prom plans and claims her interventions are doing more harm than good. He demands that she stop granting wishes and help him get his girl back. At first, Charity has no choice but to play along. But soon, Noah becomes an unexpected ally in getting to the bottom of the glimpses. Before long, Charity dares to call him her friend—and even starts to wish he were something more. But can the fairy godmother ever get the happily ever after?

Walking Miracle Ryan Shazier 2021-11-30 Nearly four years after an errant tackle left him paralyzed below the waist, the inspiring comeback story of how former Pittsburgh Steeler Ryan Shazier recovered to walk again. As an All-American at Ohio State and All-Pro linebacker for the Pittsburgh Steelers, Ryan Shazier was living his best life while excelling at the game he loves, a game that has given him so much. But then Ryan was forced to redefine success. Suddenly, it was no longer measured by tackles

or sacks, but by purpose and faith. WALKING MIRACLE is the story of this new definition of success, following the arc from December 4, 2017, when Shazier was injured playing the Cincinnati Bengals, to his retirement. For three years, Shazier doggedly pursued a return to professional football. He took small wins as "first downs" on the drive to return to the field: moving his toes, walking, dancing at his wedding, and ultimately running and returning to the team. What Shazier didn't realize is that along the way, he was preparing himself for another purpose—that of father and husband, philanthropist, and football analyst. The journey was preparing him not for a renewed life as a middle linebacker, but a renewed life after the game. Here we see Shazier overcome childhood alopecia, which caused a great deal of emotional pain, and scoliosis, which nearly robbed him of his dreams of playing college and professional football. We gain insights into legendary coaches Urban Meyer and Mike Tomlin. And we see him star on the field. Shazier was one of the best defensive players in Steeler history—a history full of great defensive stars. WALKING MIRACLE—the message on a bracelet given to him by his godmother—is the story of Ryan's comeback, but it's also a book of life's lessons, challenges, and a love letter to the power of positive thinking.

Miracle in the Making Scott Brown 2001-09-01 Adam Taliaferro had it all: smarts, an easy-going personality, and incomparable athletic ability. None of that seemed to matter, however, on that fateful September day when his father was given startling news: Do not expect your son to walk. Ever. Since that numbing day, Taliaferro, the Penn State freshman cornerback who was paralyzed after he tackled an Ohio State running back, has defied the odds. Before he had spinal-fusion surgery, he made a vow to his mother: "Mom, I'm not going out like this." Three months later, he walked out of a Philadelphia hospital on crutches, determined to complete his amazing recovery, making the name "Adam Taliaferro" synonymous with courage and perseverance.

Miracle at Philadelphia Catherine Drinker Bowen 1966

You Are My Miracle Maryann Cusimano Love 2005-09-15 From the creators of You Are My I Love You, a traditional and heartwarming Christmas book for new mothers, fathers, and their little miracles of joy. Nothing beats the magic of time spent between parent and child, and perhaps no time is more magical than Christmas. Presented in gentle rhymes and illustrations as warm and glowing as a winter's fire, here is one such Christmas. Maryann Cusimano Love and Satomi Ichikawa, the team behind the international bestseller You Are My I Love You, pair up once again to bring you this instant classic.

Plain, Honest Men Richard Beeman 2009-03-17 In May 1787, in an atmosphere of crisis, delegates met in Philadelphia to design a radically new form of government. Distinguished historian Richard Beeman captures as never before the dynamic of the debate and the characters of the men who labored that historic summer. Virtually all of the issues in dispute—the extent of presidential power, the nature of federalism, and, most explosive of all, the role of slavery—have continued to provoke conflict throughout our nation's history. This unprecedented book takes readers behind the scenes to show how the world's most enduring constitution was forged through conflict, compromise, and fragile consensus. As Gouverneur Morris, delegate of Pennsylvania, noted: "While some have boasted it as a work from Heaven, others have given it a less righteous origin. I have many reasons to believe that it is the work of plain, honest men."

1787 Clinton Rossiter 1987

Miracle at Philadelphia : the Story of the Constitutional Convention May to September 1787/ Catherine Drinker Bowen ; with a New Introduction by Henry Steele Commager ; Illustrations for this Edition by Warren Chappell Catherine Drinker Bowen 1986

Miracle Cure William Rosen 2017-05-09 The epic history of how antibiotics were born, saving millions of lives and creating a vast new industry known as Big Pharma. As late as the 1930s, virtually no drug intended for sickness did any good; doctors could set bones, deliver babies, and offer palliative care. That all changed in less than a generation with the discovery and development of a new category of medicine known as antibiotics. By 1955, the age-old evolutionary relationship between humans and microbes had been transformed, trivializing once-deadly infections. William Rosen captures this

revolution with all its false starts, lucky surprises, and eccentric characters. He explains why, given the complex nature of bacteria—and their ability to rapidly evolve into new forms—the only way to locate and test potential antibiotic strains is by large-scale, systematic, trial-and-error experimentation. Organizing that research needs large, well-funded organizations and businesses, and so our entire scientific-industrial complex, built around the pharmaceutical company, was born. Timely, engrossing, and eye-opening, *Miracle Cure* is a must-read science narrative—a drama of enormous range, combining science, technology, politics, and economics to illuminate the reasons behind one of the most dramatic changes in humanity’s relationship with nature since the invention of agriculture ten thousand years ago.

Decision in Philadelphia Christopher Collier 2012-05-01 Fifty-five men met in Philadelphia in 1787 to write a document that would create a country and change a world: the Constitution. Here is a remarkable rendering of that fateful time, told with humanity and humor. *Decision in Philadelphia* is the best popular history of the Constitutional Convention; in it, the life and times of eighteenth century America not only come alive, but the very human qualities of the men who framed the document are brought provocatively into focus—casting many of the Founding Fathers in a new light. A celebration of how and why our Constitution came into being, *Decision in Philadelphia* is also a testament of the American spirit at its finest.

Miracles and the Protestant Imagination Philip M. Soergel 2012-02-03 Generations of scholars have assumed that the Reformation represented a vital step on the way to the "disenchantment of the world." Philip Soergel's groundbreaking study on wonder books reveals that German evangelical Reformers were themselves active enchanterers.
