Letters From Grace C.J. Carmichael 2021-09-23 Finding old love letters in her father's closet inspires a teen to play matchmaker. Jessica Shanahan is off to college next year, but she's worried about leaving her father, Levi Shanahan, alone. He's been a single dad since his wife died when Jessica was only a toddler. He reassures her that he's too busy running his family general store, taking care of his aging parents and volunteering in the community to be lonely. But Jessica has her doubts—especially when she finds old love letters from his high school sweetheart. Travel photographer Grace Hamilton is promoting her latest book when a student from her hometown reaches out about a research project. Curious, Grace meets with her and when the teen invites her to the Woodland Foliage Arts Festival, Grace accepts. Though her career's been successful and fulfilling, she's never met a man who touched her heart the way Levi Shanahan once did. Maybe a trip home will finally help her to move on and find the one thing that's eluded her throughout her years of travel—love.

Digital Sociology Deborah Lupton 2014-11-05 We now live in a digital society. New digital technologies have had a profound influence on everyday life, social relations, government, commerce, the economy and the production and dissemination of knowledge. People's movements in space, their purchasing habits and their online communication with others are now monitored in detail by digital technologies. We are increasingly becoming digital data subjects, whether we like it or not, and whether we choose this or not. The sub-discipline of digital sociology provides a means by which the impact, development and use of these technologies and their incorporation into social worlds, social institutions and concepts of selfhood and embodiment may be investigated, analysed and understood. This book introduces a range of interesting social, cultural and political dimensions of digital society and discusses some of the important debates occurring in research and scholarship on these aspects. It covers the new knowledge economy and big data, reconceptualising research in the digital era, the digitisation of higher education, the diversity of digital use, digital politics and citizen digital engagement, the politics of surveillance, privacy issues, the contribution of digital devices to embodiment and concepts of selfhood and many other topics. Digital Sociology is essential reading not only for students and academics in sociology, anthropology, media and communication, digital cultures, digital humanities, internet studies, science and technology studies, cultural geography and social computing, but for other readers interested in the social impact of digital technologies.

Take Me, Cowboy (A Copper Ridge Desire 1) Maisey Yates 2016-04-01 This sexy rancher is her best friend...but can he be more? Only from USA TODAY bestselling author Maisey Yates! So Anna turns to her best friend—the hottest bachelor in town—for advice. Rancher Chase McCormack wants in on that gala. If Anna takes him, he promises to turn her into a lady. But the makeover reveals what he's long suspected—Anna's irresistible! Is his best friend prepared to be taken—heart, body and soul—by her very own cowboy?

The Big Book of Words You Should Know David Olsen 2008-12-17 Do you know what "quatrefoil" and "impolitic" mean? What about "halcyon" or "narcolepsy"? This book is a handy, easy-to-read reference guide to the proper parlance for any situation. In this book you will find: Words You Absolutely Should Know (covert, exonerate, perimetre); Words You Should Know But Probably Don't (dour, incendiary, scintilla); Words Most People Don't Know (schlimazel, thauumatyrgy, epergne); Words You Should Know to Sound Overeducated (ad infinitum, nugatory, garrulity); Words You Probably Shouldn't Know (prapic, damnatory, labia majora); and more. Whether writing an essay, studying for a test, or trying to impress friends, family, and fellow cocktail party guests with their prolixity, you will achieve magniloquence, ebullience, and flights of rhetorical brilliance.

Entrepreneurial Identity in US Book Publishing in the Twenty-First Century Rachel Noorda 2021-09-30 Entrepreneurship underpins many roles within the publishing industry, from freelancing to bookselling. Entrepreneurs are shaped by the contexts in which their entrepreneurship is situated (social, political, economic, and national). Additionally, entrepreneurship is integral to occupational identity for book publishing entrepreneurs. This Element examines entrepreneurship through the lens of identity and narrative based on interview data with book publishing entrepreneurs in the US Book publishing entrepreneurship narratives of independence, culture over commerce, accidental profession, place, risk, (in)stability, busyness, and freedom are examined in this Element.

A Cowboy's Proposal C.J. Carmichael 2020-09-08 She's not willing to forgive. He's unable to forget. One year ago, Montana cowboy Dylan McLean left the love of his life at the altar and fled town, thinking he was doing the right thing by saving her from a scandal. He's found success on the rodeo circuit, but his love for Cathleen never faded. Now he's returned home to clear his name, claim his bride and rebuild his legacy. Bed-and-breakfast owner Cathleen Shannon has moved on from her broken heart. That is, until Dylan shows up at her house one night asking for help and a second chance. Despite Dylan's betrayal, she promises to assist with his investigation. She doesn't want an innocent man to go to jail, but her heart is most definitely off limits. But Cathleen has forgotten one important fact: Dylan is relentless when he's going after something he wants. He walked away once, but she won't let that happen again.

Science With The Cherenkov Telescope Array The Cta Consortium 2018-12-31 This book summarizes the science to be carried out by the upcoming Cherenkov Telescope Array, a major ground-based gamma-ray observatory that will be constructed over the next six to eight years. The major scientific themes, as well as core program of key science projects, have been developed by the CTA Consortium, a collaboration of scientists from many institutions worldwide. CTA will be the major facility in high-energy and very high-energy photon astronomy over the next decade and beyond. CTA will have capabilities well beyond past and present observatories. Thus, CTA's science program is expected to be rich and broad and will complement other major multiwavelength and multimessenger facilities. This book is intended to be the primary resource for the science case for CTA and it thus will be of great interest to the broader physics and astronomy communities. The electronic version (e-book) is available in open access.

Good Together CJ Carmichael 2014-02-03 Some love stories have to begin with a falling-out-of-love story... Mattie Carrigan's been helping her rodeo cowboy husband Wes Bishop run his family's Tennessee Walking Horse operation since they were married nineteen years ago. Blessed with twin daughters who've recently left for college, Mattie is looking forward to this new stage in her and Wes's life. But when she finds a strange key in her husband's jacket, she's forced to admit that Wes has been quiet and distant lately. Turns out he has been keeping secrets. And he's not the only one. Even the rancher next door, Nat Diamond—a friend Mattie could always count on in the past—seems to be holding something back from her. Good Together is for anyone who has ever pondered what it means to be married. Or had to reinvent her life when one breaks down. It's about having your heart broken but being strong enough to survive and love again.

Christmas at Copper Mountain Jane Porter 2013-11-29 NEW YORK TIMES bestselling author Jane Porter takes readers to the charming town of Marietta, Montana, in this feel-good holiday romance. She's determined to make Christmas perfect... After a set-back, Harley Diekerhoff led a quiet life and kept to herself. Taking the temporary job at the Copper Mountain Ranch as widower Brock Sheenan's housekeeper seemed perfect for her. But her calm cocoon is invaded with the arrival of Brock's pre-teen twins, Mack and Molly, who've never experienced a proper Christmas. Annoyed at first by Harley's interference, Brock is secretly pleased she's changed his twins' world. It doesn't hurt that he finds Harley incredibly attractive, fierce, smart and passionate. It's also an added bonus that she's not afraid to challenge him and get his blood heated! But when sparks fly and the attractions sizzles between them, Harley's not so sure she can handle something permanent with this dark, taciturn cowboy who doesn't know how to let her in. Can Brock hold on to her and pray for a Christmas miracle...

Bitter Sweet C. J. Carmichael 2019-11-12 Murder in a small town is always personal. Local longtime librarian, Sybil Tombe, is missing, abducted from her home on the outskirts of the isolated ranching town of Lost Trail, Montana. An elderly neighbor reports seeing a gray-haired, bearded man driving up to Sybil's house the night she disappeared. Newly-minted Sheriff Zak Waller can't think of a less likely target for a crime. When an older man is reported lurking around a young girl at the local grade school, Zak wonders if this man could also be Sybil's abductor? The descriptions of the men are similar—but what could be the possible link between a young girl and 60-year-old Sybil? Peeling back the layers of Sybil's life, Zak discovers Sybil is a master at keeping secrets, especially her own, and these secrets may now be threatening her life as well as the life of an innocent child. As Zak and his team work to uncover the truth, he also has to deal with issues in his romantic relationship with deputy Nadine Black, and mete justice to a respected town citizen who has been sheltering his criminal past for too long.

Who Do You Serve, Who Do You Protect? Maya Schenwar 2016-05-30 What is the reality of policing in the United States? Do the police keep anyone safe and secure other than the very wealthy? How do recent police killings of young black people in the United States fit into the historical and global context of anti-blackness? This collection of reports and essays (the first collaboration between Trout and Haymarket Books) explores police violence against black, brown, indigenous and other marginalized communities, miscarriages of justice, and failures of token accountability and reform measures. It also makes a compelling and provocative argument against calling the police. Contributions cover a broad range of issues including the killing by police of black men and women, police violence against Latino and indigenous communities, law enforcement's treatment of pregnant people and those with mental illness, and the impact of racist police violence on parenting, as well as specific stories such as a Detroit police conspiracy to slap murder convictions on young black men using police informant and the failure of Chicago's much-touted Independent Police Review Authority, the body supposedly responsible for investigating police misconduct. The title Who Do You Serve, Who Do You Protect? is no mere provocation: the book also explores alternatives for keeping communities safe. Contributors include William C. Anderson, Candice Bernd, Aaron Cantú, Thandi Chimurenga, Ejeris Dixon, Adam Hudson, Victoria Law, Mike Ludwig, Sarah Macaraeg, and Roberto Rodriguez.

The Fourth Child C. J. Carmichael 2002

More Than Somewhat Damon Runyon 2013-04-16 I have made this selection of Damon Runyon's stories with the idea of showing as many aspects as possible of his narrative genius, ranging as they do from the most uproarious farce to such sadness as goes to the depths of the heart. The note of pathos is not often touched, it is true: when it is, it gains force from the contrast with its setting of quaint, unemotional, unconscious cynicism. If, after reading The Lily of St. Pierre in this book you do not agree with that judgment, then—as Runyon's narrator would say—you must be such a guy as will never be moved by anything short of an earthquake.

Our Word Is Our Weapon Subcomandante Marcos 2011-01-04 In this landmark book, Seven Stories Press presents a powerful collection of literary, philosophical, and political writings of the masked Zapatista spokesperson, Subcomandante Insurgente Marcos. Introduced by Nobel Prize winner José Saramago, and illustrated with beautiful black and white photographs, Our Word Is Our Weapon crystallizes "the passion of a rebel, the poetry of a movement, and the literary genius of indigenous Mexico." Marcos first captured world attention on January 1, 1994, when he and an indigenous guerrilla group calling themselves "Zapatistas" revolted against the Mexican government and seized key towns in Mexico's southernmost state of Chiapas. In the six years that have passed since their uprising, Marcos has altered the course of Mexican politics and emerged an international symbol of grassroots movement-building, rebellion, and democracy. The prolific stream of poetic political writings, tales, and traditional myths that Marcos has penned since January 1, 1994 fill more than four volumes. Our Word Is Our Weapon presents the best of these writings, many of which have never been published before in English. Throughout this remarkable book we hear the uncompromising voice of indigenous communities living in resistance, expressing through manifestos and

myths the universal human urge for dignity, democracy, and liberation. It is the voice of a people refusing to be forgotten the voice of Mexico in transition, the voice of a people struggling for democracy by using their word as their only weapon.

Against All Odds Danielle Steel 2017-05-02 NEW YORK TIMES BESTSELLER • The wise, moving novel from Danielle Steel, whose many bestselling tales have made her one of America's favorite authors Taking chances is part of life, but when you bet your future against the odds, it's a high-risk game. Kate Madison's stylish resale shop has been a big SoHo success, supporting her and her four kids since her husband's untimely death. Now her children are grown and ready to forge lives of their own. And they all choose to play against the odds, to their mother's dismay. Isabelle, a dedicated attorney, is in line to make partner at her Wall Street firm when she falls for a client she represents in a criminal case. She tells herself she can make a life with him—but can she? Julie, a young designer, meets a man who seems too good to be true and falls under his spell. She marries him quickly, gives up her job, and moves to Los Angeles to be at his side—but is all that worth it? Justin is a struggling writer who pushes for children with his partner before they're financially or emotionally ready. Will the strain on the relationship take too high a toll? And Willie, the youngest, a tech expert, makes a choice that shocks them all, with a woman twelve years older. Kate—loving, supportive, and outspoken—can't keep her children from playing against the odds. Can the odds be beaten? Not often—as her children have to learn for themselves. For Kate, the hardest lesson will be that she can't protect the children she loves from the choices they make—but can only love them as they make them.

Information—Consciousness—Reality James B. Glattfelder 2019-04-10 This open access book chronicles the rise of a new scientific paradigm offering novel insights into the age-old enigmas of existence. Over 300 years ago, the human mind discovered the machine code of reality: mathematics. By utilizing abstract thought systems, humans began to decode the workings of the cosmos. From this understanding, the current scientific paradigm emerged, ultimately discovering the gift of technology. Today, however, our island of knowledge is surrounded by ever longer shores of ignorance. Science appears to have hit a dead end when confronted with the nature of reality and consciousness. In this fascinating and accessible volume, James Glattfelder explores a radical paradigm shift uncovering the ontology of reality. It is found to be information-theoretic and participatory, yielding a computational and programmable universe.

Entangled Life Merlin Sheldrake 2020-05-12 NEW YORK TIMES BESTSELLER • A "brilliant [and] entrancing" (The Guardian) journey into the hidden lives of fungi—the great connectors of the living world—and their astonishing and intimate roles in human life, with the power to heal our bodies, expand our minds, and help us address our most urgent environmental problems. "Grand and dizzying in how thoroughly it recalibrates our understanding of the natural world."—Ed Yong, author of I Contain Multitudes ONE OF THE BEST BOOKS OF THE YEAR—Time, BBC Science Focus, The Daily Mail, Geographical, The Times, The Telegraph, New Statesman, London Evening Standard, Science Friday When we think of fungi, we likely think of mushrooms. But mushrooms are only fruiting bodies, analogous to apples on a tree. Most fungi live out of sight, yet make up a massively diverse kingdom of organisms that supports and sustains nearly all living systems. Fungi provide a key to understanding the planet on which we live, and the ways we think, feel, and behave. In *Entangled Life*, the brilliant young biologist Merlin Sheldrake shows us the world from a fungal point of view, providing an exhilarating change of perspective. Sheldrake's vivid exploration takes us from yeast to psychedelics, to the fungi that range for miles underground and are the largest organisms on the planet, to those that link plants together in complex networks known as the "Wood Wide Web," to those that infiltrate and manipulate insect bodies with devastating precision. Fungi throw our concepts of individuality and even intelligence into question. They are metabolic masters, earth makers, and key players in most of life's processes. They can change our minds, heal our bodies, and even help us remediate environmental disaster. By examining fungi on their own terms, Sheldrake reveals how these extraordinary organisms—and our relationships with them—are changing our understanding of how life works. Winner of the Wainwright Prize, the Royal Society Science Book Prize, and the Guild of Food Writers Award • Shortlisted for the British Book Award • Longlisted for the Rathbones Folio Prize

A Cowgirl's Christmas CJ Carmichael 2014-10-27 For years Callan Carrigan has been her father's right hand man, so when her dad's will names city slicker Court McAllister the new owner of The Circle C Ranch, Callan feels betrayed on every level. Then she and her sisters find their mother's diaries, hidden from them by their father since their mother's accidental death 18 years ago, and the shocking revelations explain a lot. Reeling, Callan seeks refuge in the local saloon, where it seems no one can reach her, until Court offers her a challenge. If she agrees to be foreman at the Circle C for one year, he'll deed the ranch back to her and her sisters. The deal seems too sweet at first—until Callan realizes Court has his eyes on something she protects even more than her family's land—her heart.

The Value of Academic Libraries Megan Oakleaf 2010 This report provides Association of College and Research Libraries (ACRL) leaders and the academic community with a clear view of the current state of the literature on value of libraries within an institutional context, suggestions for immediate "Next Steps" in the demonstration of academic library value, and a "Research Agenda" for articulating academic library value. Its focus is to help librarians understand, based on professional literature, the current answer to the question, "How does the library advance the missions of the institution?" This report is also of interest to higher educational professionals external to libraries, including senior leaders, administrators, faculty, and student affairs professionals.

Her Cowboy Dilemma C.J. Carmichael 2013-04-02 Going Home Shouldn't Be This Hard... Cassidy Lambert traded in Montana's big sky country for the big-city lights—forever. Until a potentially devastating equine illness threatens her family's ranch, and Cassidy is needed at home to help. She thinks she knows what she wants from life, but the more she's around sexy veterinarian Dan Farley, the more confused she gets. When Cassidy comes back to the open Western landscape Dan loves, she's nothing but a beautiful burr under his saddle. She stomped on his heart once before, and he's not eager for another go-around. But he just can't keep himself away from those green eyes and sweet curves. It's a good thing she'll soon be gone again. Because he can't trust her—or himself—when she's around!

Close to Her Heart CJ Carmichael 2014-09-23 Dani Carrigan has always relied on logic when making important life decisions, but when she discovers she's pregnant - and that there's a chance her baby may be born "not perfect"- logic lets her down. It would help if the baby's father would pop the question, but widowed father Adrian seems more interested in protecting his six-year-old daughter than committing to his new relationship with Dani. The last time she felt this alone and scared was when she was 16 and her mother died, leaving Dani to raise her younger sisters with precious little help from her distant and disapproving rancher father. She felt so inadequate then, but is she any more prepared to be a mother now? Support comes from an unlikely source. Dani always saw her next-door neighbour and friend, divorce attorney Elliot Gilmore, as a charming, handsome, playboy-type. But with each challenge she faces, from pregnancy, to delivery and beyond—Elliot reveals himself a better man than she ever guessed. Is it possible that Elliot hasn't been playing the field—but waiting for her?

Promise Me, Cowboy CJ Carmichael 2013-10-09 Sage Carrigan never meant to be the other woman. Unfortunately, bronco rider Dawson O'Dell neglected to mention he was married the night he invited her to his bed after they'd both placed first in their rodeo events. When his wife walked in on them - Sage was deeply hurt and humiliated. After an accident in the ring the next day, Sage decides she's quitting the rodeo—and cowboys—to become a chocolatier in her hometown ranching community, Marietta, Montana.

Parentology Dalton Conley 2014-03-18 An award-winning scientist offers his unorthodox approach to childrearing: "Parentology is brilliant, jaw-droppingly funny, and full of wisdom...bound to change your thinking about parenting and its conventions" (Amy Chua, author of *Battle Hymn of the Tiger Mother*). "If you're like many parents, you might ask family and friends for advice when faced with important choices about how to raise your kids. You might turn to parenting books or simply rely on timeworn religious or cultural traditions. But when Dalton Conley, a dual-doctorate scientist and full-blown nerd, needed childrearing advice, he turned to scientific research to make the big decisions. In *Parentology*, Conley hilariously reports the results of those experiments, from bribing his kids to do math (since studies show conditional cash transfers improved educational and health outcomes for kids) to teaching them impulse control by giving them weird names (because evidence shows kids with unique names learn not to react when their peers tease them) to getting a vasectomy (because fewer kids in a family mean smarter kids). Conley encourages parents to draw on the latest data to rear children, if only because that level of engagement with kids will produce solid and happy ones. Ultimately these experiments are very loving, and the outcomes are redemptive—even when Conley's sassy kids show him the limits of his profession. *Parentology* teaches you everything you need to know about the latest literature on parenting—with lessons that go down easy. You'll be laughing and learning at the same time.

The Chocolate Cure Roxanne Snopek 2017-01-04 No more meddling! No more men! New Year's resolutions are great. Announcing them in a crowded bar, with a chocolate martini in her hand? Not Maddie Cash's finest moment. It's time this new realtor got serious about her life and this time, she means it. But when hospital volunteering lands her at the bedside of bruised and battered Mick Meyer, who has no knowledge of Maddie's reputation - and no memory of the kiss he begged from her during that long, pain-filled night, her best-laid plans are put in jeopardy. It's not just his sweet tooth that's tempting her. The hunky bush pilot with the concussion has an old family property to unload. Making this sale could be Maddie's professional salvation. But when Mick turns on the charm, she's in danger of forgetting all her best intentions... on chocolate... on meddling... and especially on men. The Tycoon's Kiss Jane Porter 2014-04-09 From USA Today bestselling author Jane Porter comes an opposites-attract Valentine's Day tale complete with a small-town ball If anyone can make her feel like the belle of the ball, it's him Taylor Harris - Marietta, Montana's new librarian-is the quiet type who likes her glamour between the pages, but not in her own life. When she's pushed into attending the formal Valentine Ball with Marietta's Most Eligible Bachelor, Troy Sheenan, Taylor can't imagine a worse pairing. What in the world would she have in common with a wealthy playboy like Troy? Technology tycoon Troy is forced by business concerns to return to his hometown and take the town librarian to the Valentine Ball... what he doesn't expect is that Taylor is even less excited about the prospect than he is! Intrigued by the only woman in town who wouldn't be thrilled to take his arm at the big event, he's determined that she will not just agree to be his date... but she's going to like it. Can Taylor turn a cold shoulder to Troy's heart-melting charms, or is this about to be Marietta's hottest Valentine's Ball yet?
