The Power of Together Jim Putman 2016-06-21 An Invitation to Deeper, More Joyful, and Rewarding Relationships with God and Others None of us is lovable all of the time. People are unreasonable, arguments flare, feelings are hurt. And no one can make us feel worse than those closest to us. It's easy to fall into the trap of closing ourselves off in order to protect ourselves, rather than opening ourselves up for relationship with each other. But think of who Jesus invited into his life and ministry. They weren't always lovable. Yet he modeled perfect love for us and showed how the mark of a spiritually mature believer was always love. In The Power of Together, pastor and author Jim Putman uncovers the core of true discipleship with an in-depth, biblical look at how Jesus always invited people into relationship with himself. He loved them with God's perfect love and, in the process, showed everyone around him that the act of following God is the act of extending and receiving love that endures all things.

Church Planting Movements V. David Garrison 2007 David Garrison, PhD University of Chicago, defines Church Planting Movements as rapidly multiplying indigenous churches planting churches that sweep across a people group or population segment. Garrison's Church Planting Movements: How God Is Redeeming a Lost World signaled a breakthrough in missionary church planting. After the publication of Garrison's book in 2004 it became impossible to talk about missions without referencing Church Planting Movements. Church Planting Movements examines more than two-dozen movements of multiplying churches on five

continents. After presenting these case studies, Garrison identifies ten universal elements present in each movement. He then broadens the circle of examination to identify a further ten common characteristics, factors identified in most, but not all, of the movements. He concludes his examination with a list of "Seven Deadly Sins," i.e. harmful practices that stifle or impede Church Planting Movements. Important for evangelical readers, the author returns to his findings to see how they stand up to the light of Scripture. What he discovers is that Church Planting Movements are much more consistent with the New Testament lay-led house-church movements that swept rapidly through the Mediterranean world in the face of hostile opposition than today's more sedentary professional institutionalized Christianity. Make Disciples John Ankerberg 2019-08-09 A person's final words are often their most telling. The final words of Jesus, known as the Great Commission, are no different today than when he spoke them, but what does it mean to "make disciples" in our world today?

The Unstuck Church Tony Morgan 2017-05-16 Acclaimed church leader, blogger, founder and chief strategic officer of The Unstuck Group, Tony Morgan unpacks the lifecycle of a typical church, identifies characteristics of each phase, and provides practical next steps a church can take to move towards sustained health. Think about your church for a moment. Is it growing? Is it diminishing? Is it somewhere in between? Acclaimed church leader, blogger, and founder and chief strategic officer of The Unstuck Group, Tony Morgan has identified the seven stages of a church's lifecycle that range from the hopeful and optimistic days of launch, to the stagnating last stages of life support. Regardless of the stage in which you find your church, it carries with it the world's greatest mission—to "go and make disciples of all the nations . . ." With eternity at stake the Church should be doing most everything within its power to see lives changed forever. The Church should strive for the pinnacle of the lifecycle, where they are continually making new disciples and experiencing what Morgan refers to as "sustained health." In *The Unstuck Church*, Morgan unpacks

each phase of the church lifecycle, and offers specific and strategic next steps the church leader can take to find it's way to sustained health . . . and finally become unstuck. The Unstuck Church is a call for honest an assessment of where your church sits on the lifecycle, and a challenge to move beyond it.

Saturate Jeff Vanderstelt 2015-04-16 What does living for Jesus look like in the everyday stuff of life? Many Christians have unwittingly embraced the idea that "church" is a once-a-week event rather than a community of Spirit-empowered people; that "ministry" is what pastors do on Sundays rather than the 24/7 calling of all believers; and that "discipleship" is a program rather than the normal state of every follower of Jesus. Drawing on his experience as a pastor and church planter, Jeff Vanderstelt wants us to see that there's more--much more--to the Christian life than sitting in a pew once a week. God has called his people to something bigger: a view of the Christian life that encompasses the ordinary, the extraordinary, and everything in between. Packed full of biblical teaching, compelling stories, and real-world advice, this book will remind you that Jesus is filling the world with his presence through the everyday lives of everyday people... People just like you.

Deep Discipleship J.T. English 2020-09-29 Everyone is being disciplined. The question is: what is discipling us? The majority of Christians today are being disciplined by popular media, flashy events, and folk theology because churches have neglected their responsibility to make disciples. But the church is not a secondary platform in the mission of God; it is the primary platform God uses to grow people into the image of Jesus. Therefore, as church leaders, it is our primary responsibility to establish environments and relationships where people can be trained, grow, and be sent as disciples. There are three indispensable elements of discipleship: Learning to participate in the biblical story (the Bible) Growing in our confession of who God is and who we are (theology) Regularly participating in private and corporate intentional action (spiritual disciplines) *Deep Discipleship* equips churches to reclaim the responsibility of discipling people at any point on their journey.

4 Chair Discipling Dann Spader 2014-08-01 Dann Spader is a disciple-maker who has spent his adult life exploring what it means to take someone from being a seeker to making disciples themselves. Over 750,000 people in 80 countries have been trained to make disciples through organizations he has led. Through studying the life of Christ and His disciple-making methods, Dann developed *4 Chair Discipling*, a simple picture for others to follow. Jesus' last words on earth had a few very specific instructions: Go, make disciples, baptize, and teach. But what does that mean for us today? Well, it's not easy. But it is simple. Teacher and leader Dann Spader explains disciple-making as a process of moving people through four chairs, from someone seeking to know more about Christ to someone who makes disciples themselves. Chair 1: Come and See (John 1:39) Chair 2: Follow Me (John 1:43) Chair 3: Become a Fisher of Men (Matthew 4:19) Chair 4: Go and Bear Fruit (John 15:16) In the process of His four-year ministry,

Jesus realized that different people are at different stages of growth and development, and He works to challenge each of them to the next level. In *4 Chair Discipling*, you'll get a clear and simple picture of how to follow in Jesus' footsteps and do the same thing.

Growing Up Robby Gallaty 2013-11-11 If you are serious about being a disciple of Jesus Christ—really, truly serious—a discipleship group can help you achieve that goal. Jesus established this model for us by forming and leading the first discipleship group—and it worked. The men who emerged from that group took the gospel to the world and ultimately laid down their lives for Christ. Discipleship groups can create an atmosphere for fellowship, encouragement, and accountability—building an environment where God can work. In *Growing Up: How to Be a Disciple Who Makes Disciples*, Robby Gallaty presents a practical, easy-to-implement system for growing in one's faith. This guide offers a manual for making disciples, addressing the what, why, where, and how of discipleship. D-Groups, as Gallaty calls them, can teach you and others how to grow your relationship with God, how to defend your faith, and how to guide others in their relationships with God. *Growing Up* provides you with an interactive manual and resource for creating and working with discipleship groups, allowing you to gain positive information both for yourself and for others as you learn how to help others become better disciples for Christ.

Growing True Disciples George Barna 2013-03-06 Christ's command to the church is clear: "Go, therefore, and make disciples of all nations..." It is in building disciples—helping others to embrace Jesus Christ as Savior and Lord, mature in him, and then lead others to do the same—that the Kingdom grows. And when the Kingdom grows, churches do, too. In *Growing True Disciples*, respected author and researcher George Barna helps pastors and leaders assess how their churches are doing in fulfilling their role as disciplemakers. And he reveals models and examples that will equip churches to dramatically increase their effectiveness. As a result, your church can begin to see more involved members who want to live out their faith in submission to God, and joyfully share their resources to fulfill Christ's commission.

Real-Life Discipleship Tom Cheshire 2019-07-27 The one BIG question: How do you disciple another man? Men in thousands of churches across the world know there is more to faith than just attending church — they know there is the potential to walk in Christ's image, live in Christ's image, and work to spread Christ's word. But the one big question they are all asking is how? The Spirit of God is compelling them to seek the answer. This book is the gateway to answering that question. The authors spent years struggling to build a life of

meaning before realizing their depravity and asking the questions: "What does it mean to be a godly man, and how can I become one?" The Spirit answered by sending men into their lives to disciple them, not with disdain or judgment, but with love and compassion, a gospel-centered focus. These men walked alongside them in the messiness of life, helping them to apply Biblical truths and spiritual disciplines in a challenging world. From their own personal journeys, out of the abyss, the authors have written this book. Here you will learn to: • BUILD a one-on-one relationship • CREATE a culture of men who support each other • LOOK TO CHRIST and find what obstacles are blocking you • TRANSFORM your life seeing the Gospel advance through the discipling of other men. *Real-Life Discipleship: The Ordinary Man's Guide to Disciple-Making* offers a gateway from confusion to clarity, from struggle to transformation.

This biblical, practical handbook will guide churches of any size to focus their ministries around Jesus's command to his followers to make disciples of all nations. *Making Disciples* offers a model of church ministry that sees every member as a minister, and it will become an indispensable resource for equipping a new generation of disciple-makers.

The Disciple Maker's Handbook Bobby Harrington 2017-02-07 Many people believe that discipleship is important, but they need help. In fact, the vast majority of Christians report that they have never been personally discipled by a more mature follower of Jesus. Is it any wonder that they have a difficult time knowing how to disciple others? If making disciples of Jesus is the greatest cause on earth, how should we equip people to do it? This handbook is a practical guide for how to embrace the discipleship lifestyle - being a disciple of Jesus and how to make other disciples of Jesus. With contributions from pastors and teachers like Francis Chan, Jeff Vanderstelt, Bill Hull, Jim Putman, KP Yohannan, and Robert Coleman, the authors present seven elements that are necessary for disciple making to occur: Jesus—the original disciple maker and centerpiece of discipleship. Holy Spirit—fuels the disciple-making process. Intentionality—making disciples utilizing a strategy and a roadmap. Relationships—creating a loving, genuine connection with others who trust and follow Jesus. Bible—using the Word of God as the manual for making disciples. Journey—forging a traceable growth story from a new birth to spiritual parenthood. Multiply—reproducing the discipleship process so that the disciple becomes a disciple maker. Whether you are a parent who wants to disciple your children, a small group leader who wants to disciple those in your group, or a church leader who wants to disciple future leaders, the seven key elements in this handbook form a framework for

understanding discipleship that can be applied in countless situations. In addition, there are questions provided in each section to help you think through how to apply the material to your disciple making efforts.

DiscipleShift Jim Putman 2013-04-23 Question: What is the God-given purpose of the local church? Answer: Relational discipleship. DiscipleShift walks you through five key "shifts" that churches must make to refocus on the fundamental biblical mission of discipleship. These intentional changes will attract the world and empower your church members to be salt and light in their communities. Over the last thirty years, many influential church leaders and church planters in America have adopted various models for reaching unchurched people. While many of these approaches have merit, something is still missing, something even more fundamental to the mission of the church: discipleship. Making disciples—helping people to trust and follow Jesus—is the church's God-given mandate. Devoted disciples attract people outside the church because of the change others see in their Christ-like lives. And discipleship empowers Christians to be more like Christ as they intentionally develop relationships with non-believers. Through biblical and professional insights, Jim Putman and Bobby Harrington discuss the transformational effectiveness of making disciples and just how to do so, in practical terms. You'll learn: The specific roles of a disciple-making pastor. The components of person-to-person discipleship. How each ministry in your church leads to discipleship. How to implement discipleship in your church. Disciple-making leaders will not produce perfect churches, but they will create effective churches.

The Lost Art of Disciple Making LeRoy Eims 2009-07-13 "Every believer in Jesus Christ deserves the opportunity of personal nurture and development." says LeRoy Eims. But all too often the opportunity isn't there. We neglect the young Christian in our whirl of programs, church services, and fellowship groups. And we neglect to raise up workers and leaders who can disciple young believers into mature and fruitful Christians. In simple, practical, and biblical terms, LeRoy Eims revives the lost art of disciple making. He explains: - How the early church disciplined new Christians - How to meet the basic needs of a growing Christian - How to spot and train potential workers - How to develop mature, godly leaders "True growth takes time and tears and love and patience," Eims states. There is no instant maturity. This book examines the growth process in the life of a Christian and considers what nurture and guidance it takes to develop spiritually qualified workers in the church.

Organic Disciples Kevin G. Harney 2021-12-28 Could sharing your faith be the secret to unlocking your spiritual growth? For many followers of Jesus, spiritual growth involves a series of spiritual practices that promise to deepen our connection with God and train us in the ways of Jesus. Unfortunately, these practices are often disconnected from the mission and purposes of God in reaching a lost world with the gospel message. What if the secret to unlocking spiritual growth was as simple as infusing our spiritual practices with an outward focus? What if we could learn from the example of Jesus and walk naturally in his footsteps as he leads us closer to the heart of God and the deepest needs of the world? In *Organic Disciples*, Kevin and Sherry Harney lead ordinary followers of Jesus through seven markers of spiritual maturity, showing how simple shifts in our Bible reading, prayer, community life, giving, service, and other biblical practices can connect us with God's work of reaching people with his love. Taking a holistic approach that unites evangelism and discipleship, Kevin and Sherry explain how God's plan for our spiritual growth is intimately connected to his mission to the world. True spiritual growth and maturity will always lead believers outward to engage the world with the good news and truth of Jesus. And in a surprising twist, our own spiritual growth will often remain stunted and limited until we take the step of joining God in his mission to love others. This book will help you see how Jesus modelled a lifestyle of loving others, overcome the common roadblocks and false narratives that stand in the way of spiritual maturity, and design a personal pathway of growth to be more like Jesus in character and mission. Along with the *Organic Disciples* book, churches and individuals can utilize a free,

self-directed online tool to help each person identify where they are in their growth journey. In addition, there will be an eight-week sermon series and small group curriculum to take congregations and Christians deeper on this journey.
